Join us for our 2nd Annual Power of Giving Celebration!

This not-to-be-missed event gathers impact-makers from across the Tri-Valley who make a difference in the lives of our community. Together we will celebrate the nonprofits, philanthropists, volunteers and change agents who make the Tri-Valley, the Tri-Valley!

TVNPA is gathering our philanthropic community together for an evening of celebration, insightful testimonials, and lively entertainment, including inspiration from **emcee Dr. Dyrell Foster**, President of Las Positas College; a powerful presentation from **keynote speaker Colleen Gregerson**, Executive Director of Battery Powered; hilarious **entertainment with comedian Regina Stoops**, and the grand finale awards presentation recognizing the amazing nonprofit and philanthropic leaders serving the Tri-Valley!
