

Two valuable resources—the Foundation Center and GuideStar—have changed the world by giving people the information they need to do good. In 2019, these services combined to form **Candid** to serve nonprofits with education and resources in development relevant to charitable organizations. As a service to the community, **Tri-Valley Nonprofit Alliance** and **Las Positas College** are partnering to provide **Candid’s** excellent training curriculum to nonprofits, along with access to their foundation and grant database as well as other nonprofit capacity-building tools—completely free of charge!
